

EATING OUT

There are many pubs, restaurants and cafes in the local area, here are a few that we would personally recommend, its probably best to try and book a table especially at weekends or during busy holiday times:

Dittisham

The Anchorstone Cafe 01803 722365 <https://anchorstonecafe.co.uk/>

Situated on the banks of the river Dart with great views. Only open during the day specialising in local seafood. (N.B. Closed Winter Months)

Stoke Fleming

The Green Dragon 01803 770238 <https://www.green-dragon-inn.co.uk/food-drink/>

Has a beer garden at the rear and space to sit out at the front of the pub. We've only sampled the pizza, but it really was a great pizza!

Beesands

Brittania @ The Beach 01548 581168 <http://www.britanniaatthebeach.co.uk/>

Takeaway (picnic tables available next to the sea wall) and eat in restaurant. Mostly local seafood. We normally stop off here whilst walking the loop to Torcross and back along the beach.

Salcombe

The Crab Shed 01548 844280 <https://www.crabshed.com/>

Lovely location with indoor and outdoor seating overlooking the creek. Again local seafood, but as the name suggests, their speciality is crab, either dressed or you can have a great time cracking your own crab.

Dartington

The Cott Inn 01803 863777 <https://cottinn.co.uk/>

An old thatched pub with a large beer garden with loads of covered outdoor seating. Great selection of food, personal favourites are the pie of the Day or the Seafood chowder.

Dartmouth

Amalfi Kitchen 01803 459161 <https://amalfikitchen.co.uk/>

Cosy restaurant, bar and courtyard. Seasonal Mediterranean menu. Great pasta and pizza and salads. Highly Recommended

Andria 01803 833222 <https://andriadartmouth.com/>

Modern restaurant serving small plates. Seasonal menu. Great little restaurant with great service and food. Great for sharing.

The Seahorse 01803 835147 <https://seahorserestaurant.co.uk/>

Probably one for those special occasions. The menu changes daily depending on what has been caught that day. The scallops are always worth ordering. One of the more expensive restaurants in Dartmouth.

Smith Street Deli 01803 833616 [Search on Facebook](#)

Open daytime Tuesday to Saturday. Great little deli and coffee shop. Serves amazing deli boards and snacks.

A Selection of the other pubs and restaurants in the area are as follows:
